Thanks [REDACTED] this is very helpful. Do you think that it can wait until after the 10am call to incorporate any changes?

Dear Alexis

Assuming the EPA delegation will remain the same, please see my suggestions/additions below in blue (feel free to correct my English) – Mauro said the sooner you send it the earlier you get a reply (which will not be immediate.)

Until later

**Subject:** DRAFT EMAIL FOR EMBASSY REVIEW - Extra Badge Request - USA

Dear [REDACTED]

Hoping I can please ask you the favor to look over the draft email below on Extra Badge request and to fill in any available updated information on the names and number of drivers and correct full names and titles for other Embassy staff. I also welcome thoughts on the language and explanation of the rationale, as want to do my best to get this right the first time with Mauro.

Per Ex. 6 - Personal Privacy note on the red badges, we'd already received an email from Logistica that only two fixed red badges would be allowed, along with two floating ones. I've sent Mauro a follow-up email about that as well as the gray badges for security.

Thanks for any insights you can provide!

Alexis

Dear Mauro,

We would like to respectfully request 13 additional badges for the U.S. government delegation. All badges requested for the following people would be Delegate Blue.

As you will note on the list below, seven (7) extra badges are requested to cover the high-level speakers we have confirmed for Side Events with Firms & Universities, per Italy's request. We know that we have already filled the slots available for them, but we really had to secure a blue badge for high-level people and officials essential to the EPA delegation (see our complete delegation at the end of this message).

The other six (6) extra badges are requested for U.S. Embassy officials that will need to be on site to provide Ex. 7 - Law Enforcement and transportation support.

# Ex. 7 - Law Enforcement
